

You Are All Invited to the 2018-2019 BCHL **SLINGSHOTS** Tryouts

1 Samuel 17

BCHL is currently preparing for the launch of our eleventh season for our "**Slingshots**" teams. Our "Slingshots" teams are created as an option for players in our Novice, Atom, Peewee, Bantam, Midget age divisions who are interested in advancing their hockey development at a higher competitive level. This program is optional for current league members.

On behalf of the Coaches we would like to invite all eligible BCHL players to this year's tryouts. The BCHL "**Slingshots**" is a **DEVELOPMENT** program which means you still play on your designated house league team and participation would be in addition to the BCHL house league program. This is an opportunity to practice one extra time a week and participate in scheduled exhibition games. We have worked closely with the BCHL house league to minimize conflicts, but ultimately there may be some, and you will need to make every reasonable effort to support your house league team throughout the year (for both games and practices).

Each team will carry up to 15 skaters and 2 goalies. Teams may carry up to 3 AP (alternate players)-final number is up to the coach. We would like to limit the number to 20 on the ice so we can run drills effectively. Drills will be selected as age/skill level appropriate and is geared at advancing the skill level. We have also carefully selected devotionals that will help to build character both on and off the ice.

Eligibility is as follows:

- Players must be a current member of BCHL in good standing (paid)
- Novice players must be born in the years 2010 or 2011
- Atom players must be born in the years 2008 or 2009.
- Peewee players must be born in the years 2006 or 2007.
- Bantam players must be born in the years 2004 or 2005.
- Midget players must be born in the years 2001 (limited number), 2002 or 2003.
- No overage players are permitted in any division. Underage players will be considered based on skill level.

Costs:

First tryout is **Free!** \$20 for each subsequent tryout with the final being by invite only paid in person at the rink. **Approximate** season costs as follows:

- \$ 580 (20 ice times for practices/exhibition games and 2-3 tournaments)
